

After today 11-22-63 I was sitting at Loman and ^{Jackson} ~~Commerce~~
at the Clayboard Bus Station at 12:30 PM. waiting for a fare.
This man walked up to the cab, he was wearing So. on So. from
Commerce, ~~he asked~~ he asked if he could get a cab.
I told him yes and I opened the back door. He shut the
back door and said he wanted to sit in the front. The Boy
said he wanted to go to the 500 Bk. of No. Beckly. I told
him what all of the ~~the~~ signs were about and he didn't
say anything so I didn't say any more to him. I turned
right on Jackson and traveled to Custer Street where I turned
left and traveled Custer to Mead St where I turned right
on Mead St. I traveled Mead Street to Hunter St. turned
left and over the railroad to Long Blvd and
traveled Long to Beckly and turned left and traveled
on Beckly until I reached the 500 Bk. of No. Beckly. When
I got in the 500 Bk. of No. Beckly he said this was do and
I stopped. The fare was 45¢ cab. He gave me a dollar and
told me to keep the change. The Boy got out of the cab
walked in front of the cab and Angie South on Beckly St.
The Boy ~~was~~ was small, 5'8 or so, slender, had on a dark
jacket with white spots of something on it, he had a bracelet on
his left wrist. He looked like he was 25 or 26 years
old.

* After we had gotten into the cab and I had turned my meter on, a lady
came up to the cab and ask if she could get this cab. As I recall I
said this was his one behind me very soon. I am not sure whether the
woman passenger refused this to be a rat, but I think he may hear. I then drove
away.
